

## Sleeping On The Sidewalk

April 27, 2005

#	Song	Artist	Album	Comments
1	Sucked Into Something	<a href="#">Schatzi</a>	EP of 'Death Of The Alphabet'	Saw these guys at Tower Records in Austin some years ago. Check out the link for some cool pop rock candy.
2	Identify	Natalie Imbruglia	soundtrack to 'Stigmata'	Cool song from a surprisingly cool soundtrack.
3	L'Via L'Viaquez	The Mars Volta	Frances The Mute	I'm not sure what this world is coming to when a band that kicks as much prog/art booty as The Mars Volta gets airplay on 105.7 The Point. Last time I listened to The Point for more than a scan it was just as boring as the time before.
4	Robot Parade (Banjo version)	<a href="#">They Might Be Giants</a>	www.tmbg.com	There are something like 4 versions of this song around.
5	Still Missing	Beck	Guero	I haven't had the chance to spend a lot of time with this record but it's quite good.
6	Feel Good, Inc	Gorillaz w/De La Soul	promo single	I'm surprised this little side project made it to a second album.
7	L'Ananour	Ivy	Guestroom	Serge Gainsbourg cover.
8	I've Got You Memorized	<a href="#">Ivy</a>	In The Clear	Ivy has apparently had an illustrious career thus far. Even more apparent is that their ENTIRE CATALOG is in our library. Hell yeah. Nothing like discovering a band, finding out they are not new by any stretch and that you have full access to all of their songs.
9	Heavy Metal/Red Cross	Garage A Trois	Live in Boulder, CO, 10-03-03	Much jam. Another great concert I downloaded from the band for cheap.
10	Making Out With My Dad	Garage A Trois	Live in Boulder, CO, 10-03-03	If Stanton Moore wasn't such a terrible vocalist this song would be every bit as disturbing as the title implies.
11	Fernando	Sex Mob	Solid Sender	Abba cover.
12	I Will	The Beatles	The White Album	One of the most romantic songs ever.
13	You Had Time	Ani Difranco	So Much Shouting/So Much Laughter	One of the most romance-go-bye-bye-songs ever.
14	Heroes	David Bowie	Stage (re-issue)	This was recorded in Berlin (at a studio U2 would later use for Achtung Baby) and sometime after the recording of the 'Heroes' album Bowie apparently staged a legendary gig at the Berlin Wall where citizens from both sides were able to partake. I've read that this song in particular was performed remarkably.
15	We Both Go Down Together	The Decemberist	Picaresque	I'm really digging this bands kind of mellow but happy vibe. It may actually totally depressing when I'm not listening to at 3:15am.
16	Marching The Hate Machines (Into The Sun)	Thievery Corporation (The Flaming Lips)	The Cosmic Game	I'll pretty much check out anything the Flaming Lips are involved with. Not always the best song in the world, but
17	Heart Of Glass	The Bad Plus	Blunt Object - Live In Japan	Recognizable Blondie verses mixed with some very cool improv (jazz)
18	Strange Uncles From Abroad	Gogol Bordello	East Infection	(jibber jabber jibber jabber jibber jabber jibber jabber jibber jabber)
19	Fortunate Son	Dropkick Murphys	Singles Collection Volume 2	I saw something on CNN last week about I-Pod 1, the I-Pod the Bush twins gave the President for some holiday. I think that's pretty cool, everyone has to have some tunes when they workout or want to zone out or whatever. The article talked about the songs on it and that some were by folks who are outspoken against the president, one of the artist listed was John Fogerty. It made me wonder if Bush listens to this song and thinks, "That song is all about my National Guard line jumping, draft dodging ass. It's good to be rich!"
20	Spooky Mummy Case	<a href="#">Eyeball Skeleton</a>	#1	A dad and his 2 pre-teen sons.
21	Sleep All Summer	Crooked Fingers	Dignity & Shame	There as a cool song by them I heard, but sadly this wasn't it.
22	Epic Chase Scene	Cleezmo	You've Got Male (genitalia)	So Dylan, (4am-6am host) comes in while this is on and says, "Is this Victor [Wooten]?" "Naw, this is my man Cleez." Hats off to Cleez for being thought of in such a way.
